THE B9 ADVANCE SERVICE

Overview of the Advance Service: B9 offers you advance pay based on your earned but not yet paid wages (each, an "Advance") as part of its "B9 Advance Service." If you have commenced direct deposit of your payroll to your B9 Account, we will alert you to the availability of Advances through the B9 App, SMS messages and/or email. Eligible users will then be offered the opportunity to receive a no fee advance to their B9 Account, if applicable. You may also log into the B9 App and request an advance at any time. In all cases, you must affirmatively choose to receive an advance.

B9 Advance is an optional, no fee service offered by B9 to its B9 Basic and B9 Premium members that requires members to set up a payroll direct deposit to their B9 Account that deposits at least once each month. Before receiving a B9 Advance, members are required to designate their B9 account to receive a direct deposit of either their full or partial paycheck: The amount of Advance a member is eligible to get will be based on member's B9 Account history, payroll direct deposit frequency and amount, and other factors determined by B9, and may change from time to time. If a member directs funds to its B9 Account outside his/her paycheck, those funds will not count

towards payroll deposit. Payroll deposits must be from employer wages, salaries or tips, as well as federal government or state sponsored benefit programs (i.e., Social Security Income or Unemployment Insurance).

The maximum advance amount under the B9 Advance Service is limited to a portion of your payroll deposited to your B9 Account. We reserve the right to adjust advance amounts and our eligibility criteria at any time, but in any event the funds advanced to the consumer shall not be greater than the consumer's next anticipated paycheck.

B9 Advances start at \$30 as an early pay advance with a Basic membership for new members and up to \$750 for members with a Premium membership and established history with B9. B9 Members are informed of their current available maxes in the B9 mobile app. Their limit may change at any time, at B9's discretion. The B9 Advance Service may not be available in all states.

As noted above, advances offered to you under this Agreement for deposit to your B9 Account is an optional, NO FEE service. We do not charge any interest or fees or request any other payments as a condition of access to the advance pay product; however, you must be enrolled in either a B9 Basic membership which is \$11.99 per month or a B9 Premium membership which is \$19.99 per month. To be eligible for B9 Advance Service, the following requirements must be met:

- a. Your B9 Account must be in good standing;
- b. You must agree within the B9 app to have received payroll direct deposits into your B9 Account. Payroll deposits must be from employer wages, salaries tips; and federal government or state sponsored benefit programs (i.e., Social Security Income or Unemployment Insurance).
- c. Amount of Payroll deposits for last 14 days is equal or greater than \$300.
- d. Your B9 Account balance must be equal or greater than \$0;
- e. You have paid back all previous cash advances.

In addition, B9 may, at any time and in its sole discretion, determine additional requirements or changes to existing requirements. Such modifications shall be effective as soon as the modified version of this Agreement is posted in an authorized distribution location, such as our website or the agreements section in the B9 App. We will also send you notification of any material modification. You can determine when this Agreement was last revised by referring to the Last Updated date of this Agreement. Your use of your B9 Account following such changes constitutes

your acceptance of the revised version of this Agreement.

B9 Account benefits may change at any time without notice. We may cancel your enrollment in the B9 Advance Service at any time for any reason, including insufficient funds in your B9 Account. Insufficient funds occurs when an account has a negative balance.

Types of Transfers; Limitations: You may use the B9 Services to request and receive Advances to your Linked Account, debit card or B9 Account, to repay such Advances in the amounts and on the days you request to pay the Monthly B9 Basic Plan Monthly Card and Account Fee. Any limitations regarding Advance amount, or Monthly B9 Basic Plan Monthly Card and Account Fee amount will be displayed to you through the B9 Services. Through the B9 App you may also authorize recurring preauthorized Electronic Fund Transfers from your Linked Account or debit card to pay for the Monthly B9 Basic Plan Monthly Card and Account Fee. Review this Terms of Services agreement for more information about stopping payment of preauthorized Electronic Fund Transfers.

Advance Repayment: In exchange for an advance, you sell your future received wage payment to B9. By enrolling in B9 Advance Service and obtaining an Advance, you authorize B9 to apply any deposit, including any paycheck deposit to repay the Advance. We reserve the right to debit your Linked Account, debit card or B9 Account for the amount of the advance any time we see evidence of a deposit (such as a paycheck) into your Linked Account or B9 Account. In the event of non-repayment of an Advance, B9 will make up to three attempts to pull funds from a linked external account to recover overdue balance. In the event laws or regulations for your state of residence on file with B9 prohibits or restricts an external pull, B9 will comply with the state law or regulation. B9 will first attempt repayment from the B9 Account and only if funds are not available or sufficient will B9 then attempt to pull funds from the linked account(s). B9 may attempt a partial repayment of the Advance from the B9 Account and then attempt to pull the remaining balance from the linked account(s). For Kansas, Missouri, Nevada South Carolina and Wisconsin residents, in the event B9's attempts at collecting an overdue Advance balance causes an overdraft in a linked account, B9 will reimburse you for the associated overdraft fee so long as you are able to provide B9 with sufficient documentation proving B9 was responsible for causing the overdraft.

However, B9 warrants that it has no legal or contractual claim against you based on a failure to repay an advance, but B9 will not provide you further advances while any amount remains unpaid under the B9 Advance Service. With respect to a failure to repay an Advance, B9 warrants it will not engage in any debt collection activities, place the amount owed with or sell to a third party, or report you to a consumer reporting agency. B9 does not waive any rights regarding fraudulent activity, and B9 will pursue instances of fraud.

B9 may apply any incoming transfers to an Advance balance regardless of how long ago the

Advance was distributed. In the event an Advance has not been repaid within 14 days, Advance repayments will be initiated 14 days after the advance was disbursed to the customer's B9 account and may be pulled from the customer's existing account balance as well as linked accounts. If any advance is not repaid within 15 calendar days from the date when we credited your B9 Account or linked account for the cash advance, B9 may unenroll your account from B9 Advance Service. This unenrollment from B9 Advance Service shall not prevent you from using your B9 Account or B9 card or any other B9 Services. You will not be able to obtain further B9 Advances while your prior advance remains outstanding. If you have a linked account and insufficient funds in your B9 Account, B9 may initiate a chargeback on your linked account to satisfy your outstanding B9 Advance.

If any Advance fee deduction is not successfully deducted or repaid, or is only partially deducted or repaid, on the original Scheduled repayment day, for any reason including administrative error, other priority deductions or for any reason there are insufficient net wages to cover the Advance repayment, you authorize B9 to make three further repayment attempts. You may revoke your authorization for any such subsequent deductions at any time without a penalty or a fee. However, if B9 is unable to settle an Advance balance, your access to the Services may be limited or suspended until such time as you voluntarily pay the outstanding Advance amount. B9 will not engage in any collection activity or credit reporting. B9 will not charge any additional fee or interest of any kind.

Aside from residents of Kansas, Missouri, Nevada South Carolina and Wisconsin, B9 is not responsible for any overdraft fees, over-the-limit fees, insufficient fund charges, or any other bank fees that result from your failure to maintain a sufficient balance in your Linked Account. B9 monitors your balance and will attempt to ensure you have sufficient funds before debiting your account, but B9 makes no warranties that an overdraft will not occur.

You agree that Evolve will have no obligation, duty or liability to you with regards to the advances or B9 Services under this Agreement.

LINKS TO OTHER WEBSITES AND SERVICES

The Services may contain links to outside services and resources, the availability and content of which B9 does not control or monitor. We are not responsible for examining or evaluating, and we cannot guarantee and expressly do not warrant the offerings of these businesses or individuals or the content of their web sites.

Except where an endorsement or relationship is expressly disclosed, links to and from such sites do not constitute a B9 endorsement, and B9 does not represent or imply that there is any business relationship between B9 and the other entities. In some cases where B9 does have a business relationship with the third-party website linked in the Services, B9 may earn commission or other compensation from your access to that third-party website or your purchase of products and services from that entity. B9, however, does not disclose any of your personal information to such third parties. Where B9 has such a business relationship, B9 will expressly disclose within the Services that it may earn commission from your use of the third-party web site.

B9 does not assume any responsibility or liability for the actions, products, and content of these and any other third-parties. Any concerns regarding any such service or resource, or any link thereto, should be directed to the particular outside service or resource.

REFERRAL PROGRAM

B9 offers a referral reward for customer referrals. In order for both the referred individual and the referring B9 member to qualify for and receive the \$5.00 referral reward, the following conditions must be met: referred individuals must open a new account after January 1, 2023; they must open the new account using the referring B9 member's unique referral code.

The referring B9 member must be an active B9 member to be eligible for a reward. In order to be considered an active B9 member, the member must maintain at least a Basic B9 membership and be in good standing with all membership fees and B9 Advances. The reward will be paid to each party within (2) business days after they activate the reward through the app. Members may earn no more than \$200.00 in referral rewards per calendar year (January 1 - December 31). The referred individual acknowledges that payment of the reward will result in the member's knowledge of the individual's establishment of a new B9 Visa Card. B9 reserves the right to cancel or modify the terms of the referral reward offer or to terminate the member's eligibility at any time with or without prior notice. Credits of \$10 or more will be reported on tax form 1099-INT for a new member. Total credits of \$600 or more will be reported on tax form 1099-MISC for the referring B9 member.

Banking services are provided by Evolve Bank & Trust, Member FDIC.

B9 CASHBACK

Upon signing-up for cashback rewards, you will be given an opportunity to select 4 merchant categories which you may receive cashback rewards so long as you satisfy the minimum monthly spending requirements of \$200 with your B9 Card. Once selected each month, the cashback rewards merchant categories cannot be changed. You will receive between 0.4% to 5% cashback depending on the category. The cashback reward is triggered after you spend the minimum amount of \$200 with merchants in the specified merchant categories during the monthly billing cycle. The minimum activity amount may vary from month to month. Cashback rewards will not accumulate until the member's spending with merchants within the specified categories satisfies the minimum amount. The minimum spending activity for cashback rewards aggregates for all categories. The maximum cashback rewards that you may receive each month is capped at \$100 per month.

Your cashback rewards will be automatically deposited into your B9 Account, or your B9 Account's subaccount if one is created for you, on the 5th of the following month and can be used for any purchase or can be electronically transferred to a different account.

A purchase's eligibility for contributing to your monthly aggregate cashback determination, in accordance with industry practices, is dependent on the Merchant Category Code ("MCC") assignment which is based on the merchant's line of business, or the types of products and/or services the merchant primarily sells or provides. B9 and its partners does not assign MCCs to merchants and is therefore not responsible for inaccurate or outdated MCC assignments. It is Possible that you will make a purchase for goods or services that appears to satisfy the cashback rewards contribution requirements, but the purchase ultimately fails to contribute to the monthly aggregate cashback determination amount if the merchant does not have an appropriately assigned MCC. Cashback rewards will not be awarded for certain transactions (Cash withdrawals; Cash Advances; and Balance Transfers). All cashback rewards not yet awarded to the member are forfeited if the member closes their account prior to the disbursement. The following MCCs are currently eligible for contributing to the B9 Member's Cashback rewards monthly aggregate (these MCCs may change at any time);

As part of our commitment to the security of our members, B9 will not hold members liable for any fraudulent purchases made on your account without their permission and will therefore void any cashback rewards attributed to fraudulent activity. Cashback rewards attributed to legitimate activity will not be impacted by fraudulent activity on a member's account.

In the event a purchase is returned, voided or cancelled prior to the cashback being awarded to the member, the cashback rewards attributed to the returned, voided or cancelled purchase will be voided and not deposited into the member's account. In the event a purchase is returned, voided or cancelled after the cashback is awarded to the member, the cashback rewards attributed to the returned, voided or cancelled purchase will negate an equal amount of cashback rewards to be awarded to the member in subsequent months until the balance of the returned, voided or cancelled purchase cashback rewards is satisfied.

You shall cooperate as fully as reasonably required in the defense of any such claim. B9 reserves the right, at its own expense, to assume the exclusive defense and control of any matter subject to indemnification by you. You agree not

to settle any matter without the prior written consent of B9.

DISPUTE RESOLUTION BY BINDING ARBITRATION

YOU HAVE READ THIS PROVISION CAREFULLY AND UNDERSTAND THAT IT LIMITS YOUR RIGHTS IN THE EVENT OF A DISPUTE BETWEEN YOU AND US. YOU UNDERSTAND THAT YOU HAVE THE RIGHT TO REJECT THIS PROVISION AS PROVIDED BELOW.

Election to Arbitrate: You and B9 agree that the sole and exclusive forum and remedy for resolution of a Claim be final and binding arbitration pursuant to this Section 24 (the "Arbitration Provision"), unless you opt out as provided in Section 24.3 below. As used in this Arbitration Provision, "Claim" shall include any past, present, or future claim, dispute, or controversy involving you (or persons claiming through or connected with you), on the one hand, and us on the other hand, relating to or arising out of this Agreement, and/or the activities or relationships that involve, lead to, or result from this Agreement, including (except to the extent provided otherwise in the last sentence of Section 24.8 below) the validity or enforceability of this Arbitration Provision, any part thereof, or the entire Agreement. Claims are subject to arbitration regardless of whether they arise from contract; tort (intentional or otherwise); a constitution, statute, common law, or principles of equity; or otherwise. Claims include matters arising as initial claims, counter claims, cross claims, third-party claims, or otherwise. Please note that you may continue to assert Claims in small claims court, if your Claims qualify and so long as the matter remains in such court and advances only on an individual (non-class, non-representative) basis. The scope of this Arbitration Provision is to be given the broadest possible interpretation that is enforceable.

Applicability of the Federal Arbitration Act; Arbitrator's Powers: This Arbitration Provision is made pursuant to a transaction involving interstate commerce and shall be governed by and enforceable under the Federal Arbitration Act (the "FAA"). The arbitrator will apply substantive law consistent with the FAA and applicable statutes of limitations. The arbitrator may award damages or other types of relief permitted by applicable substantive law, subject to the limitations set forth in this Arbitration Provision. The arbitrator will not be bound by judicial rules of procedure and evidence that would apply in a court. The arbitrator shall take steps to reasonably protect confidential information.

Opt-Out of Arbitration Provision: You may opt out of this Arbitration Provision for all purposes by sending an arbitration opt out notice to support@bnine.com, within 60 days of the date of your electronic acceptance of the terms of this Agreement. The opt out notice must clearly state that you are rejecting arbitration; identify the Agreement to which it applies by date; provide your name, address, and social security number; and be signed by you. You may send an opt-out notice in any manner you see fit as long as it is received at the specified address within the

specified time. No other methods can be used to opt out of this Arbitration Provision. If the opt out notice is sent on your behalf by a third party, such third party must include evidence of his or her authority to submit the opt out notice on your behalf.

Informal Dispute Resolution: If a Claim arises, our goal is to learn about and address your concerns and, if we are unable to do so to your satisfaction, to provide you with a neutral and cost-effective means of resolving the dispute quickly. You agree that before filing any claim in arbitration, you may submit Claims by sending an email to support@bnine.com at any time.

Arbitration Procedures: The party initiating arbitration shall do so with the American Arbitration Association (the "AAA") or Judicial Alternatives and Mediation Services ("JAMS"). The arbitration shall be conducted according to, and the location of the arbitration shall be determined in accordance with, the rules and policies of the administrator selected, except to the extent the rules conflict with this Arbitration Provision or any countervailing law. If you have any questions concerning the AAA or would like to obtain a copy of the AAA arbitration rules, you may call 1(800)778-7879 or visit the AAA's web site at: www.adr.org. If you have any questions concerning JAMS or would like to obtain a copy of the JAMS arbitration rules, you may visit their web site at: www.jamsadr.com. In the case of a conflict between the rules and policies of the administrator and this Arbitration Provision, this Arbitration Provision shall control, subject to countervailing law, unless all parties to the arbitration consent to have the rules and policies of the administrator apply. The arbitration will be held in the United States county where you live or work, or any other location we agree to.

Arbitration Fees: If we elect arbitration, we shall pay all the administrator's filing costs and administrative fees (other than hearing fees). If you elect arbitration, filing costs and administrative fees (other than hearing fees) shall be paid in accordance with the rules of the administrator selected, or in accordance with countervailing law if contrary to the administrator's rules. We shall pay the administrator's hearing fees for one full day of arbitration hearings. Fees for hearings that exceed one day will be paid by the party requesting the hearing, unless the administrator's rules or applicable law require otherwise, or you request that we pay them and we agree to do so. Each party shall bear the expense of its own attorneys' fees, except as otherwise provided by law. If a statute gives you the right to recover any of these fees, these statutory rights shall apply in the arbitration notwithstanding anything to the contrary herein.

Appeals: Within 30 days of a final award by the arbitrator, any party may appeal the award for reconsideration by a three-arbitrator panel selected according to the rules of the arbitrator administrator. In the event of such an appeal, any opposing party may cross-appeal within 30 days after notice of the appeal. The panel will reconsider de novo all aspects of the initial award that are appealed. Costs and conduct of any appeal shall be governed by this Arbitration Provision and the administrator's rules, in the same way as the initial arbitration proceeding. Any award by

the individual arbitrator that is not subject to appeal, and any panel award on appeal, shall be final and binding, except for any appeal right under the Federal Arbitration Act (“FAA”), and may be entered as a judgment in any court of competent jurisdiction.

No Class Actions: NO ARBITRATION SHALL PROCEED ON A CLASS, REPRESENTATIVE, OR COLLECTIVE BASIS (INCLUDING AS PRIVATE ATTORNEY GENERAL ON BEHALF OF OTHERS), EVEN IF THE CLAIM OR CLAIMS THAT ARE THE SUBJECT OF THE ARBITRATION HAD PREVIOUSLY BEEN ASSERTED (OR COULD HAVE BEEN ASSERTED) IN A COURT AS CLASS REPRESENTATIVE, OR COLLECTIVE ACTIONS IN A COURT.

Unless consented to in writing by all parties to the arbitration, no party to the arbitration may join, consolidate, or otherwise bring claims for or on behalf of two or more individuals or unrelated corporate entities in the same arbitration unless those persons are parties to a single transaction. Unless consented to in writing by all parties to the arbitration, an award in arbitration shall determine the rights and obligations of the named parties only, and only with respect to the claims in arbitration, and shall not (a) determine the rights, obligations, or interests of anyone other than a named party, or resolve any Claim of anyone other than a named party; nor (b) make an award for the benefit of, or against, anyone other than a named party. No administrator or arbitrator shall have the power or authority to waive, modify, or fail to enforce this Section 24.8, and any attempt to do so, whether by rule, policy, arbitration decision or otherwise, shall be invalid and unenforceable. Any challenge to the validity of this Section 24.8 shall be determined exclusively by a court and not by the administrator or any arbitrator.

Survival and Severability of Arbitration Provision: This Arbitration Provision shall survive the termination of this Agreement. If any portion of this Arbitration Provision other than Section 24.8 is deemed invalid or unenforceable, the remaining portions of this Arbitration Provision shall nevertheless remain valid and in force. If there is a final judicial determination that applicable law precludes enforcement of this Arbitration Provision’s limitations as to a particular claim for relief or particular term, then that claim (and only that claim) or that term (and only that term) must be severed from the Arbitration Provision and may be brought in court. If an arbitration is brought on a class, representative, or collective basis, and the limitations on such proceedings in Section 24.8 are finally adjudicated pursuant to the last sentence of Section 24.8 to be unenforceable, then no arbitration shall be had. In no event shall any invalidation be deemed to authorize an arbitrator to determine Claims or make awards beyond those authorized in this Arbitration Provision.

Judicial Forum for Claims: Except as otherwise required by applicable law, in the event that this Arbitration Provision is found not to apply to you or your Claim, you and B9 agree that any judicial proceeding (other than small claims actions) will be brought in the federal or state courts of Los Angeles County, California. Both you and B9 consent to venue and personal jurisdiction there.

We both agree to waive our right to a jury trial.

WAIVER OF RIGHT TO LITIGATE. THE PARTIES ACKNOWLEDGE THAT THEY HAVE A RIGHT TO LITIGATE CLAIMS THROUGH A COURT BEFORE A JUDGE OR JURY, BUT WILL NOT HAVE THAT RIGHT IF ANY PARTY ELECTS ARBITRATION PURSUANT TO THIS ARBITRATION PROVISION. THE PARTIES HEREBY KNOWINGLY AND VOLUNTARILY WAIVE THEIR RIGHTS TO LITIGATE SUCH CLAIMS IN A COURT BEFORE A JUDGE OR JURY UPON ELECTION OF ARBITRATION BY ANY PARTY.

GOVERNING LAW AND VENUE

Except for Section 24 which is governed by the FAA, this Agreement and all Claims are governed by the laws of the State of California, without regard to conflict-of-law rules.

Transfers between your Linked Account and B9 Account, as well as payments made to third parties, are governed by the Evolve's Customer Account and Cardholder Agreement.. Please refer to that agreement for information concerning any limitations that may apply to these transfers and payments.

Documentation: Your Advance and payment history can be viewed within the B9 App by navigating to the "Account Settings" page and tapping "Account" or "Advances," depending on the type of transactions you seek to view. You are responsible for reviewing payment history and/or B9 Account transaction history, if applicable, and maintaining copies for your records.

Our Liability: If B9 does not debit or credit your Linked Account, debit card or B9 Account in accordance with these Terms of Service, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- a. If, through no fault of ours, you do not have enough money in your Linked Account, debit card or B9 Account to make a payment.
- b. If the Linked Account, debit card or B9 Account you specify as the payment source is closed or does not contain sufficient funds to complete the payment or the charge is rejected or returned by your bank or financial institution.
- c. If the B9 Services were not working properly and you knew about the problems when you started your payment.
- d. If we cannot complete a payment due to fraud or attacks on our systems or the B9 Services.

e. If circumstances beyond our control (such as fire or flood) prevent a payment, despite reasonable precautions we have taken.

There may be other exceptions stated in our Agreement with you.

Confidentiality Related to Electronic Fund Transfers: We will disclose information to third parties about the Electronic Fund Transfers you make through the B9 Services:

- a. Where it is necessary for completing the Electronic Fund Transfers; or,
- b. In order to comply with government agency or court orders; or,
- c. If you give us written permission; or,
- d. As otherwise provided in our Privacy Policy.

Error Resolution: In case of errors or questions about your Electronic Fund Transfers, email us at support@bnine.com. If you think your Linked Account statement, receipt, or payment history within the B9 App are wrong, or if you need more information about a transfer listed on the statement, receipt, or within the B9 App, contact us as soon as you can. We must hear from you no later than sixty (60) days after the statement or receipt was delivered to you. In your notification to us, you must:

- a. Tell us your name and phone number associated with your B9 App user account.
- b. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- c. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your Linked Account or B9 Account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

For errors involving new B9 App user accounts, we may take up to 90 days to investigate your complaint or question. For new B9 App user accounts, we may take up to twenty (20) business days to credit your Linked Account or B9 Account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

ALL QUESTIONS ABOUT TRANSACTIONS MADE THROUGH THE B9 SERVICES MUST BE DIRECTED TO B9, AND NOT TO THE BANK OR OTHER FINANCIAL INSTITUTION WHERE YOU HAVE YOUR LINKED ACCOUNT.

We are responsible for the B9 Services and for resolving any errors in transactions made in conjunction with such services.

We will not send you a periodic statement listing transactions that you make through the B9 Services for your linked account. The transactions will appear only on the statement issued by your bank or other financial institution. You may review your account activity by using the B9 app. We will deliver or make available to you periodic statements for your Account as required by law. You will receive a statement as long as you have a transaction on your Account during the Statement period, and if there were no transactions on your Account, we will provide you a statement at least quarterly. The Account statement will describe payments or transfers made in connection with your Account. You agree to notify us promptly if you do not receive your statement by the date you normally would expect to receive it. You will receive an electronic statement (not paper), and you agree that the statement has been delivered or made available to you in a reasonable manner.

SAVE THE RECEIPTS YOU ARE PROVIDED WHEN YOU USE THE B9 SERVICES, AND CHECK THEM AGAINST THE ACCOUNT STATEMENT YOU RECEIVE FROM YOUR BANK OR OTHER FINANCIAL INSTITUTION.

Preauthorized Payments.

- a. Right to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how: write to us at support@bnine.com, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. To speak to someone directly, you may also call (888) 297-5504, Monday through Friday: 6 AM to 6 PM Pacific Standard Time (9 AM to 9 PM Eastern Standard Time). If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. (We may charge you for each stop-payment order you give, in accordance with our Fee Schedule.)
- b. Notice of varying amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.) f
- c. Liability for failure to stop payment of preauthorized transfer. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages. To the extent permitted by law, our liability for losses or damages may be limited to actual damages that you have sustained if the failure to stop payment was due to a bona fide error.

A stop payment order will remain in effect until the earlier of:

- (A) The withdrawal of the stop payment order by the Receiver; or
- (B) The return of the debit Entry, or, where a stop payment order applies to more than one debit Entry relating to a specific authorization involving a specific Originator, the return of all such debit Entries.
